Happenings of July 2011

Dear Well-wishers,

Greetings from RTU.

You are aware of our construction of 50 houses, school compound walls, water facilities done at Karattupatti, at the cost of Rs. 3.9 million. On 03rd August it has been inaugurated by our honourable District Collector

Mr. K.S. Palanisamy, I.A.S. A simple function was organised. Brother thanked the Collector and all those who were supporting this work starting from the builders till the donors. The Collector was also happy and appreciative about all our activities and Brothers choice to remain in India for such a long time.

This year 11 LaSallian volunteers from UK came and engaged themselves in construction of 12 houses. Their hard work in Indian heat was admirable. Their good relationship with the beneficiaries, other labourers, children and staff was admirable. We wish all the students success in future career.

Child Care:

Last month 4 have completed Diploma in special education Training, 4 Teacher's Training, 11 Industrial Training, 3 Scan technicians, and 7 polytechnic. We are happy to see our children coming out as trained with various capacities.

Our David Boys Hostel performed a beautiful drama at the Parish Church, Batlagundu. All were wondering at the hidden talents of our boys.

Mothers' meeting was organised. Brother talked with the mothers about the love for the children who lost their biological parents, about not wasting anything especially food. 4 child-care staff attended a seminar on Child Protection and mentoring. They found it very useful for their everyday duties.

Education:

School Parliamentary elections were conducted in all the schools. The students were given a foretaste of democratic elections. Everyone took active part

and the leaders were going around promising good service if they were to be elected. Two students from St. Peter Hr. Sec. School who scored centum in science were honoured with a medal and a certificate. Basic lessons of Yoga was given to all the classes. A circus troop was invited to perform circus to our students.

Both mobile tailoring units had their certificate ceremony in Sathakoilpatti and Erumalainayakanpatti. 50 women received the certificate.

Medical:

Our clinic has completed medical check up for all the students of our schools. This is done twice a year. This helps to maintain the good health of the children.

Home Sponsorship Programme (HSP) and AIDS Home Sponsorship Programme (AHSP)

7 students from HSP and AHSP joined technical course through J.K. Scholarship. 3 students joined Polytechnic, 2 ITI, 1 ANM, 1 Teacher's Training.

Housing and Water:

Now after completing 50 houses in Karatupatti, works are in full swing at Ranganathapuram and Melachockanathapuram. Around 90 houses are planned to be built. The water facilities are already provided.

It is your encouragement and contribution that make us all the more enthusiastic to go ahead in the service of the poor. As you see, many poor people are benefiting from your contributions. May God bless you all!

Yours fraternally
Fr. J. Antony Paulsamy, OFM Cap.
Secretary.
